

Privacy Policy

We (D Soft) use the Internet connection of your device to consult our API's. Retrieved data may be saved locally to your device to improve performance and decrease data usage for further requests.

We do not sell or share personally identifiable information to anyone.

If you use our application, we might collect some additional information, such as a billing address, an e-mail address and tracking information with respect to online payments.

We may disclose personal information if required to do so by law or in the good faith belief that such disclosure is reasonably necessary to respond to subpoenas, court orders, or other legal processes. We may disclose personal information to law enforcement offices or others in the good faith belief that such disclosure is reasonable necessary to enforce our Terms or Privacy Policy; respond to claims that an advertisement, posting or other content violates the rights of a third party; or protect the rights, property or personal safety of our users or the general public.
